

## SLC Ring 160W up/down/8x spots Black 2700K+RGBW Zigbee r

14/06/2024

### SLC1405

#### Product description

- Circular luminaire with down and up light + spotlights
- Clean and minimalistic design with a slim profile
- Powder-coated iron in matt black
- Control one light direction at a time
- Soft and comfortable ambient light
- 8 adjustable spotlights in sets by 2
- RGBW Up-lighting
- Easily connectable to any smart app

#### Technical data

Suitable for suspended mounting	Yes
With light source	Yes
Surface protection housing	Lacquered
Voltage type	AC
Type of control gear	LED operating device voltage-controlled
Dimming Zigbee	Yes
Light outlet	Direct/indirect
Protection class	II
Luminaire efficacy	52 Lumen/Watt
Colour of light	RGBW
Colour rendering index CRI	80-89
Height/depth	70 Millimetre

Lamp type	LED not exchangeable
Housing material	Steel
Housing colour	Black
Nominal voltage	220 - 240 Volt
With control gear	Yes
Colour consistency (McAdam ellipse)	SDCM3
Degree of protection (IP)	IP20
Max. system power	160 Watt
Rated luminous flux according to IEC 62722-	8300 Lumen
Colour temperature	2700 - Kelvin
Width	25 Millimetre
Outer diameter	1400 Millimetre
